

Does It Ladder Up?

In 10 words or less, describe how each task or component “ladders up” to your organization’s mission & vision. Use the “Explain it like I’m 5” principle to help simplify your statements.

Task	Ladder Up Statement

5-year-olds . . .

- Prefer short words
- Can speak in complete and compound sentences
- Can sort groups by more than one criteria
- Can understand prepositions (like “under” or “behind”)
- Really like to ask “why” and “how” questions
- Are just beginning to read
